[Despatch Abstract.]

PUBLIC HEALTH : REFUGEES CAMPS IN THE DISTRICTS BORDERING THE HYDERABAD STATE : EXPENDITURE : SANCTIONED.

GOVERNMENT OF MADRAS
Abstract.
**

PUBLIC HEALTH - Refugees camps in the districts bordering the Hyderabad State - Expenditure - Sanctioned.

Education and Public Health Department.

G.O. (Ms) No. 2760 P.H. Dated, the 12th August 1948
READ - the following:-

From the Director of Public Health, No. 24-2-DPH/48 dated the 21st July 1948 and R.No.45329-1-PWR/48 dated the 28th July 1948.

ORDER:

Government approve the proposals of the Director of Public Health regarding the public health arrangements to be made in the districts of East Godavari, West Godavari, Krishna, Guntur, Kurnool and Bellary in connection with the establishment of Reception Camps and Base camps for the accommodation of refugees from Hyderabad.

2. They sanction the entertainment of the following public health staff in connection with the arrangements to be made with reference to paragraph 1 above for a period of six months from the date of employment:-

Name of the District.	Staff		
	Health Inspectors.	Maistries	Sweepers and Scavengers.
1. East Godavari	15	15	38
2. West Godavari	12	12	32
3. Krishna	14	14	38
4. Guntur	17	17	48
5. Kurnool	21	21	62
6. Bellary	18	18	48
Total.	97	97	266

Of the staff referred to above, only 25 Health Inspectors and an inferior staff of 25 maistries and 66 scavengers may be employed immediately, in case there is need for them. The remaining staff should be employed only when there is actual necessity for it, in consultation with the District Magistrates as and when each camp is actually opened for the refugees. The ~~Distr~~ Director of Public Health is requested to ~~e~~ send a report to Government immediately after the employment of the staf expalining the exact need for it, both in the case of the staff employed immediately and the staff employed in due course. The Health Inspector will be in the scale of Rs. 60-3-120. As regards the infrior staff, the Director of Public Health proposes a pay of Rs. 20 plus dearness allowna per mensem for the maistries and Rs. 14 plus dearness allowance per mens for the scavengers. The maistries and scavengers should, however, be paid at the market rates, subject to the maximum pay and allowances proposed by the Director of Public Health. The inferior staff should be recruited locally by the District Health Officers concerned, according to actual requirements, in consultation with the Collectors concerned.

3. Each Health Inspector should be supplied with equipment such as inoculation outfits, vaccination equipment, cholera and plague vaccine, bleaching power, etc. Expenditure on this account should be incurred only as and when necessity arises.

4. The proposals of the Director of Public Health ~~do~~ include also provision for latrines, isolation sheds and water-supply facilities in the refugees camps. District Collectors are requested to include the expenditure on this account in their cost for the establishment of refugees' camps.

5, The attention of the Collector of Krishna is invited to the proposals of the Director of Public Health regarding Vijayawada.

6. The expenditure should be debited to "57.Miscellaneous - hh. Expenditure on Refugees - B. Madrasi Regufees from Hyderabad State - 1. Pay and other charges."

7. The Accountant.General is requested to admit the expenditure in audit pending provision of funds.

(By order of His Excellency the Governor)
